

I-41 NORTH LONG-TERM LANE CLOSURE AT WATERTOWN PLANK ROAD SEPTEMBER 7

As part of the Zoo Interchange Project, there will be a long-term lane closure on I-41 North at Watertown Plank Road on Wednesday, September 7 for two weeks. Through traffic in this area will be reduced from three lanes to two as crews build portions of future I-41. During this lane closure, the right through lane of I-41 North will become an "exit only" lane to the I-41 North exit to Watertown Plank Road. Motorists should utilize WIS 100 as an alternate route. Please plan ahead, allow extra time and watch for signs.

****All closures are weather dependent and subject to change***
